REAL TOOLS. REAL CHANGE.

Some say resolutions are made to be broken. We say - they're made to be repaired. That's why we've spent the past 20 years helping local volunteers do the right thing. The biggest lesson learned? True progress has no end.

And, that's where you come in.

Your support can keep the blue tools readily available to those who need them most. Simply submit the enclosed envelope or click www.atlanta.toolbank.org.

After all, your next big dream might only be a tool away.

Our tools touch every inch of greater Atlanta. And now, you can too! Your monetary donation is tax-deductible and volunteer insured. So, invest in the people who care for community. Their stock will rise – growth guaranteed. Visit www.atlanta.toolbank.org to learn how ToolBank can grow your green across greater Atlanta.
