

# Host a Tool Drive!

## Who We Are

As the country's largest tool lending resource, your Atlanta Community ToolBank equips over 200 local fellow nonprofits, civic groups, and schools with the tools needed to implement critical community improvement projects.

To put it simply, we loan the power to the people!

Founded in 1991, over 400,000 volunteers have put the ToolBank to good use, with any average of more than 45,000 local volunteers now utilizing our service annually.

## How You Can Help
